USD 2,000	USD 200
USD 3,000	USD 300
USD 4,000	USD 400
USD 5,000	USD 500
USD 10,000	USD 1,000
Above USD 10,000	Maximum USD 1,000

The maximum bonus per account is USD 1,000.

Important: The bonus is trading credit only. It cannot be withdrawn, transferred, or converted into cash.

Terms and Conditions

1. A 10% trading bonus will be issued on each new deposit above USD 1,000. Participation in the promotion is subject to approval.
2. The 10% trading bonus will be deposited into the client's live account within two (2) working days after the client's deposit has been received.
3. The credit bonus is provided for trading purposes only and cannot be withdrawn or converted into cash.
4. The maximum credit bonus amount per account is USD 1,000, regardless of the total deposits made.
5. The bonus may be used to **support trading margin** and help maintain open trading positions. It does

not form part of the client's withdrawable funds.

6. The client may withdraw funds from their account; however, this may result in credit bonus reduction by 10% of the withdrawal amount.
7. In the event a client deposits more than USD 10,000 then they will be able to maintain USD 1,000 bonus as long as more than USD 10,000 remains in the account. Example: Client deposits USD 10,000 and receives USD 1,000 bonus, they later deposit another USD 5,000 into the same account (they will not receive any additional bonus as the maximum bonus they can receive in one account is USD 1,000). The client then withdraws USD 5,000; they keep USD 1,000 bonus as this correlates to the original USD 10,000 deposit.
8. The company reserves the right to decline, remove, or adjust any bonus at its sole discretion, including but not limited to situations involving suspicious trading activity, abuse of the promotion, or violations of the company's trading policies.
9. If the company determines that a client has engaged in bonus abuse or trading practices designed to exploit the promotion, the company reserves the right to:
 - remove the bonus from the account; or
 - classify the bonus as non-losable credit, which may be excluded from loss calculations and removed at the company's discretion; and
 - adjust or cancel any profits generated through abusive trading strategies.
10. The company may review accounts before adding a bonus, and bonuses will only be credited once the account is deemed eligible.
11. Clients who frequently deposit and withdraw funds, or who attempt to circumvent the intent of the promotion, may be disqualified from receiving bonuses at the sole discretion of the company.
12. The company reserves the right to modify, suspend, or terminate this promotion at any time without prior notice, provided that such changes do not unfairly affect bonuses that have already been credited.
13. Participation in this promotion constitutes acceptance of these Terms and Conditions as well as the general trading terms and policies of ICM Trader.
14. This revised promotion starts on **March 9, 2026**, and is ongoing. Clients will be informed before this promotion ends and any remaining trading credit is withdrawn.
